Japan-India Bilateral Training “SHINYUU-MAITRI 19”

The Koku-Jieitai C-130H unit conducted Japan-India bilateral training “SHINYUU-MAITRI 19” at Arjan Singh Air Force Station, West Bengal, India, from October 15th to 25th, 2019. During the training, the C-130H unit practiced formation training, drop training and assault landing training to improve air transport capability. The unit also deepened mutual understanding and strengthened relationship of trust. Koku-Jieitai will take various opportunities to further promote defense cooperation and exchanges.
