

Signing of a Document on Trilateral Air Force Logistics Cooperation Among Japan, Australia and the United States

On July 7, Major General FUJINAGA Kunihiro, Director General, Logistics Department, Air Staff Office, signed a document concerning cooperation in the logistics field among the Koku-Jieitai (JASDF), the Royal Australian Air Force (RAAF) and the United States Air Force (USAF) in Canberra, Australia, together with Air Commodore Natasia Pulford, Director General Airbase and Logistics Capability, RAAF, and Major General Elizabeth E. Arledge, Director of Logistics (A4L), Headquarters USAF.

With this signing, the three countries have agreed to further strengthen their cooperation in the logistics area.

The Koku-Jieitai will continue to strengthen the relationship with the RAAF and the USAF, and contribute to peace and stability in the Indo-Pacific region.
