

Koku-Jieitai Dispatches a Liaison Officer to the French Space Command

To further strengthen cooperation between Japan and France in the space domain, the Koku-Jieitai (JASDF) has dispatched a JASDF officer as a liaison officer to the French Space Command, assuming his duties from July 23.

The dispatch of a liaison officer to France marks the first such effort by the Koku-Jieitai and will contribute to strengthening cooperation between the two countries by promoting information sharing and mutual understanding in the space domain.

The Koku-Jieitai will continue to promote cooperation with like-minded countries and work toward ensuring the stable use of space.
