

Subject Matter Expert Exchange (Corrosion Prevention Control) between Koku-Jieitai(JASDF) and IAF

Koku-Jieitai (Japan Air Self-Defense Force) had a Subject Matter Expert Exchange on corrosion prevention control of helicopters with Indian Air Force by VTC on Oct 29. The two air forces have been cooperating closely despite of the travel restrictions due to COVID-19. Koku-Jieitai remains committed to stronger bilateral relationship with the IAF leveraging every opportunity to enhance cooperation.
