

Participated in Space Symposium

From August 24 to 26, General Izutsu , Chief of Staff, Koku-Jieitai (JASDF), participated in Space Symposium held in Colorado Springs, and had some bilateral and multilateral talks. In the symposium, he made a speech regarding security challenges related to space utilization and Japan's space policy. Through the meeting with chiefs of each country, he shared his thoughts on defense cooperation in air and space, and exchanged views on the necessity of efforts to build international partnership and network.
