

Participated in Aerial Transportation Competition ” Rodeo”

On August 30, 7 Personnel from JASDF participated in the Aerial transportation Competition held by Pacific Air Force (PACAF) in Hawaii. In this competition, Japan-US mixed teams exhibited proficiency of the cargo loading onto the aircraft. Also, Air Chiefs attending the Pacific Air Chiefs Symposium held in Hawaii visited this competition, and the Chief of Staff, JASDF also watched it.

Through this competition, JASDF demonstrated its high capabilities, fostered the mutual understanding, relationship of trust, and interoperability, strengthening the Japan-US cooperation.

JASDF joined the competition taking adequate precautions against COVID-19.
