

# Meeting with the Commander of Pacific Air Forces

---

On November 1st, General IZUTSU Shunji, Chief of Staff, Koku-Jieitai (JASDF) had a bilateral talk with General Ken Wilsbach, Pacific Air Forces commander.

Prior to the talking, they were both pleased to see each other again while they reaffirm the importance of the Japan-US alliance and commitment to maintaining the close collaboration as well as trust relationship. They also concur in promoting cooperation between the Koku-Jieitai and Pacific Air Forces including bilateral exercises to promote the Free and Open Indo-Pacific and further strengthen the Japan-U.S. deterrence and response capability
