

# Subject Matter Expert Exchange on Air Rescue with the Vietnam Air Defence-Air Force

From 14 to 17 February, the dispatched members including those of the Air Rescue Wing at Iruma Air Base of Koku-Jieitai (Japan Air Self-Defense Force), shared expertise on air search and rescue with service members of the Vietnam Air Defence - Air Force in Hanoi, Vietnam.

Koku-Jieitai will further develop and strengthen the bilateral air-to-air cooperative efforts under the "Japan-Vietnam Defense Cooperation at the New Level".
