

Participation in Singapore Airshow 2022

Singapore Airshow 2022 was held at the Changi Exhibition Center between February 15 and 18, and Lieutenant General KAKIHARA Kuniharu , Commander, Air Development and Test Command, Koku-Jieitai(Japan Air Self Defense Force) participated in it.

He conducted defense exchanges including bilateral meetings with Air Force leaders to enhance mutual understanding and trust, promoting defense cooperation and exchanges. Through his visit to exhibition in the airshow, he also gained expertise in military technology trends in aerospace field, which will support the buildup of the defense capabilities.

We, the Koku-Jieitai will keep our efforts including such defense exchanges for regional peace and stability, and contribute to maintaining and reinforcing a Free and Open Indo-Pacific(FOIP) .
