

Tour for MAAT members

On March 11, the Koku-Jieitai held a tour for members of Military Attaché Association in Tokyo, and enjoyed participation of defense attachés from 27 countries. During this tour, we visited Koku-Jieitai's Iruma Air base, including Central Aircraft Control and Warning Wing, 1st Air Defense Missile Group, 2nd Tactical Airlift Wing and Syubudai Memorial Hall. In order to enhance the participants' understanding of the Koku-Jieitai, we gave overview briefing of these units, and explained the participants about Koku-Jieitai's equipments.

The Koku-Jieitai always appreciates the day-to-day cooperation of MAAT members, and looks forward to continuing to collaborate with them closely in future.
