

## The deployment of new air warning unit in Yonaguni

---

On April 1st, the Koku-Jieitai has newly deployed Yonaguni Detachment of the 53rd Warning Squadron (Miyakojima Sub Base) to Yonagunijima. By operating the mobile warning and surveillance radar at Camp Yonaguni (JGSDF), the Koku-Jieitai will reinforce its regular and continuous warning and surveillance posture in southwestern area of Japan. In Camp Yonaguni, the Koku-Jieitai will work with JGSDF to conduct its missions and deepen trust with the local community.

Under the support and cooperation of the local community, the Koku-Jieitai will continue ensuring that its mission of warning and surveillance and scramble is fully implemented. The Koku-Jieitai is looking forward to working in Yonagunijima.
