

Seminar for MAAT members

On June 17, the Koku-Jieitai (JASDF) held a seminar for members of Military Attaché Association in Tokyo, and enjoyed participation of defense attachés from 10 countries. During this seminar, we visited Koku-Jieitai's Komaki Air Base and the Aeromedical Evacuation Squadron. In order to enhance the participants' understanding of the Koku-Jieitai, we gave overview briefing of the squadron, explained the Flying Intensive Care Unit, and gave demonstration of on-board medical care to promote understanding of Koku-Jieitai's capability in on-board care and long distance patient transportation. The Koku-Jieitai always appreciates the day-to-day cooperation of MAAT members, and looks forward to continuing to collaborate with them closely in future.
