

Participation of JASDF Central Band in the Albertville International Military Music Festival

From July 1 to 3, Japan Air Self- Defence Force (JASDF) Central Band participated in the 43rd International Military Music Festival held in Albertville, France for the first time from JSDF bands. Italy joined the festival besides host nation France. Each band gave elaborated performances and JASDF Central Band made its presence felt with its high-performance skills through the performance of city parade and drill at the Olympic hall and contributed to the success of the event. JASDF will continue to actively promote various cooperation and exchanges with related countries contributing to regional peace and stability, and strive for international peace and regional stability together with them.
