

Visit of Chief of Staff, Koku-Jieitai to Australia

From February 24 to 28, General IZUTSU Syunji, Chief of Staff, Koku-Jieitai(Japan Air Self-Defense Force) participated in various programs associated with Australian International Airshow 2023(Avalon2023) at the invitation of Royal Australian Air Force(RAAF).

During his visit to Australia, he deepened mutual understanding and trust by exchanging views with air force chiefs on regional situation and defense policies and promoted defense cooperation and exchanges with the respective air forces. He participated in a Chief of Air Force Symposium hosted by RAAF and shared insights on various initiatives in the aerospace field.

Koku-Jieitai will continue to work together with RAAF, "Special Strategic Partner" in Indo-Pacific and other countries sharing universal values to promote defense cooperation and exchanges in a proactive manner, upholding and reinforcing Free and Open Indo-Pacific (FOIP) .
