

Japan -U.S.-Australia Trilateral Exchange

From March 6-8, Koku-Jieitai (Japan Air Self-Defense Force) conducted the Trilateral ISR (Intelligence, Surveillance and Reconnaissance) Exchange with Japan Maritime Self-Defense Force (JMSDF), the United States Air Force (USAF) and the Royal Australian Air Force (RAAF). In this event, we exchanged information collected by trilateral aircraft and had a discussion, etc. at Iwakuni Air Base, JASDF which helped us improve our interoperability and deepen the defense cooperation among three countries. Koku-Jieitai will contribute to upholding and reinforcing a “Free and Open Indo-Pacific (FOIP)”, improving interoperability among three countries and strengthening our deterrence and response capability.
