

Visit of Chief of Staff, Koku-Jieitai to Colorado Springs

From April 18 to 20, General UCHIKURA Hiroaki, Chief of Staff, Koku-Jieitai (Japan Air Self-Defense Force) participated in Space Symposium hosted by Space Foundation and Space Chiefs Forum hosted by the US Space Force in Colorado Springs. At the Space Symposium, he took the stage of a panel discussion on International Military Collaboration and shared his perception of the significance of multilateral cooperation in the space domain with participants from other countries. At the Space Chiefs Forum, participating countries shared security issues in the space domain and exchanged views necessary for actively promoting the use of space to maintain peace and safety.

During this period, he had several bilateral meetings with air and space chiefs from the United States, Australia, Germany, France, Italy and the United Kingdom, with which we share the universal values such as democracy and the rule of law. They exchanged views on initiatives toward the stable use of the space domain, and agreed to strengthen the relationship in the space domain.
