

JASDF-PAF Air Staff Talks

On 5th June, Major General Sakanashi, Director General, Defense Planning and Policy Department, Air Staff Office, visited the Philippine Air Force Headquarters in Manila to hold the JASDF-PAF Air Staff Talks. Both parties discussed how to improve the Air Domain Awareness capabilities of PAF through the transferred Japanese Air Surveillance Radar Systems as well as future joint training opportunities.

The Philippines is one of the important like-minded countries in this region. Koku-Jieitai (Japan Air Self-Defense Force) will continue to promote bilateral defense cooperation and exchanges in all levels and fields to contribute to peace and stability of Indo-Pacific.
