

(Press Release)

June 21, 2024
Air Staff Office

Khaan Quest 2024

The Japan Air Self-Defense Force (JASDF) will participate in Khaan Quest 2024. The details are as follows.

Details

1. Purpose

Conduct bilateral training between Japanese and Mongolian air services in the multilateral exercise (Khaan Quest 24) hosted by Mongolia and the U.S. to improve capabilities related to air traffic control and to deepen mutual understanding between both air services.

2. Period of the exercise

August 1 - August 9, 2024

(Including deployment and redeployment periods)

3. Location

Tov prefecture, Mongolia (Five Hills Training Area)

4. Participating units and the number of JASDF personnel

Approximately 10 personnel from Air Support Command and Air Training Command

5. Training

Landing Zone Operations training (Providing air traffic information to a helicopter during taking off and landing)
