

Participation in DSEI (Defence and Security Equipment International) Japan 2025

From May 21 to 23, Koku-Jeitai (JASDF) has participated in DSEI (Defence and Security Equipment International) Japan 2025, the only fully integrated defense and security event, held at Makuhari Messe in Chiba prefecture. Koku-Jieitai has displayed models of ASM-3A, air surveillance radar etc. in our exhibition booth to deepen the understandings of Japan's defense equipment and advanced technological capabilities.

On May 22, Lieutenant General OGASAWARA Takuto, Vice Chief of Staff has observed the exhibition and had bilateral meetings with Air Chief Marshal Punpakdee Pattanakul, Commander-in-Chief of the Royal Thai Air Force and Major General Aristotle D. Gonzalez, Vice Commander of Philippine Air Force.

On May 23, Colonel ISHII Hiroyuki, Commander of Space Operations Group, Koku-Jieitai has served as a panelist in the symposium whose theme was "Expanding space command: How technology can detect and counter security threats."

Koku-Jeitai will continue promoting cooperation on defense equipment and technology with ATLA through various opportunities and contribute to the peace and stability of the region.
