

Participation in JMOD/JSDF Gender Focal Point Course

Based on the JMOD WPS Promotion Plan, Koku-Jieitai (JASDF) is promoting various WPS initiatives in the Koku-Jieitai.

On 20-22 May, Koku-Jieitai members participated in the JMOD/JSDF Gender Focal Point Course. Instructors from the Netherlands Armed Force and Andaya Consulting (Canada) provided meaningful information for the participants to deepen their knowledge to promote WPS. The participants from JASDF will act as the focal point of WPS promotion in the units of Koku-Jieitai.

Koku-Jieitai will continue to promote our WPS initiatives.
