

Friendly visit to North America and Europe (Atlantic Eagles)

On 17 September, F-15s of 201st Tactical Fighter Squadron has arrived in Canadian Forces Base Goose Bay in Canada. It marks the first visit of Koku-Jieitai's fighter to Canada in our 71 years history since establishment. At Goose Bay, we invited the local media to have a static display tour of our F-15 fighter and C-2 cargo aircraft as well as the read-out of the statement by the Atlantic Eagles detachment Commander Colonel MIYAZAKI Takeshi. Statement is here <https://youtu.be/rnLpNUL6RSQ?si=Hx-oqGJy6vhLxLPs>

We would like to appreciate Royal Canadian Air Force for hosting us and all the support that they have provided us for this great success. Koku-Jieitai will continue strengthening the cooperative relationship with RCAF and contribute to the peace and stability of the Indo-Pacific region.

Atlantic Eagles' next destination is UK. We will continue this mission with the recognition that the security of Euro-Atlantic and of the Indo-Pacific are inseparable
