

Friendly visit to North America and Europe (Atlantic Eagles)

On 23 September, General MORITA Takehiro, Chief of Staff, Koku-Jieitai visited Germany upon official invitation from Lieutenant General Hoger Neumann, Chief of the German Air Force (Luftwaffe) . They visited Laage Air Base together and shared the historic moment of the first arrival of Koku-Jieitai's fighters in Germany. Both leaderships also held a joint press release.

They both welcomed the success of the mutual fighter visit as the Luftwaffe started with their fighters' visit in 2022 and last year to conduct exercise "Nippon Skies," followed by the Atlantic Eagles this time. Realizing the mutual fighter visit is a testament that the relationship between Koku-Jieitai and Luftwaffe is firmly enhancing. JASDF will further deepen the relationship with Luftwaffe under the recognition that the security of Euro-Atlantic and of the Indo-Pacific are inseparable and interconnected.
