Ministry of Defense of Japan

Designation of defense-related facilities based on the Drone Act

Based on the Article 6-1, 6-2 and 6-4 of the Drone Act (Act No. 9 of 2016), the Minister of Defense has issued a public notice designating the defense-related facilities, sites or areas of the defense-related facilities, and the areas surrounding the defense-related facilities. After a 12-day notification period, drone flights in the airspace over the areas surrounding the defense-related facilities will, in principle, be prohibited (effective July 9, 2025). In order to fly drones, prescribed procedures including obtaining consent from facility administrators are required.

Please refer to the Ministry of Defense website for more information.
