### State Minister of Defense Miyazaki's visit to Naha Air Base

On January 2026, Minister of Defense Miyazaki visited JASDF Naha Air Base and welcomed ROKAF's Black Eagles Aerobatic Team, which visited Japan for the first time.

In a severer security environment surrounding Japan, the importance of Japan-ROK defense cooperation is getting higher. The Defense exchange between JASDF Blue Impulse and Black Eagles this time contributes to deeper mutual understanding and has great meaning to the Japan-ROK defense cooperation and exchange.
