

② USFJ facilities and areas

Procedures for Drone Flights

(over the surrounding areas within approximately 300 meters of the designated USFJ facilities)

30 calendar days before the flight 48 hours before the flight

※ Prior notice to the Regional Coast Guard Office, etc. is **required only** when the designated facility and its surrounding area **include water area**.

※ **Application form** differs depending on the designated USFJ facility. Please contact each facility or the relevant Regional Defense Bureau for details.

※ For the exact contact point of the prior notice (relevant police station or Coast Guard Office), please refer to the website of each prefectural police station or the Ministry of Land, Infrastructure, Transport and Tourism. Prior notice form can also be obtained at the contact point of the relevant police station or Coast Guard Office.

② USFJ facilities and areas

Procedures for Drone Flights

(over the surrounding areas within approximately 300 meters of the designated USFJ facilities)

Application for consent to the administrator of the designated USFJ facility

For drone flights, persons other than those who own or occupy the land area, those who have obtained consent from the owner or the occupant, or those who intend to fly a drone, etc. for the purpose of performing the national or local governmental public services, must obtain consent from **the administrator of the designated USFJ facility** (a written consent must be issued).

Prior notice to the Prefectural Public Safety Commission and the Commander of the Regional Coast Guard Headquarters

- Submit a prior notice with the prescribed form to **the police station with jurisdiction over the designated facility and its surrounding area and the Coast Guard Headquarters (only when the designated facility and its surrounding area include water area), etc. at least 48 hours before the flight.**
- **The actual drone, etc. to be flown must be shown to the authorities when submitting a prior notification.** However, if it is difficult to do so, it is sufficient to **submit a photo of the drone, etc. instead.**
- Those who have obtained consent from the owner or the occupant of the land area must submit a copy of a written consent.
- Those who are entrusted by the national or local government with flying a drone, etc. must submit a copy of the proof the entrustment.
