3. Action in Response to Incidents

Receiving information that “RUEN”, a Bulgarian cargo ship, was hijacked by someone in the Arabian Sea on December 16, JS “AKEBONO” from our counter-piracy enforcement conducted surveillance and information gathering activities. We provided the information gathered to the Combined Task Force 151, which is in charge of counter-piracy missions. Surveillance was first conducted by JS “AKEBONO” and was later taken over by SPS “VICTORIA”. JS “AKEBONO” returned to its duties after surveillance activities were handed over to the Spanish navy.
